## Objective

To earn an internship as a creative developer for summer 2017. To improve my technical skills and grow as a professional. Finally, to make professional and long lasting relationships with individuals and by extension a company that embraces the important role of technology.

## Experience

### Web Developer, EagleDream Technologies

Rochester, NY — December 2015 - August 2016

Lept into web development using tools such as Wordpress PHP, HTML5, CSS, Javascript and more to create and curate professional and tailored websites, storefronts, and blogs. Worked extensively and directly with clients, shaping the product to their needs.

#### Roles

- **Lead Developer:** Seneca Park Zoo - 3 month development cycle
  - Led small group of developers and worked with zoo employees and EagleDream designers on a daily basis to translate over 150 content rich pages to a modern and responsive format.
- **Developer:** Imperial Tropicals, MIT: CEE, C2Sense, Eagledream
- **Curator:** PCF, Untapped Shores, Cranberry Capital

### Creative Developer, Abigail Bay Woodworking

Cleveland, OH — May 2015 - December 2015

- Online presence established
- Onsite meetings and negotiations with contractors, manufacturers, and clients
- Responsible for growing and innovating a small business

### Selected Personal/School Projects

**Shine:** Lead Developer - Microsoft Kinect based mystery game built with C# and WPF

**Coloro:** Sole Developer - Color and palette generation tool. Built with Javascript, HTML/CSS

**FilmoGraffiti:** Sole Developer - Web service to grab movie data from several APIs. JS, AJAX

### Crew Member, McDonald's

Mentor, OH — 2013 - 2015

### Prep Cook & Server, Gracie's Dining Hall

Henrietta, NY — 2015

## Education

### Rochester Institute of Technology
